2-4 player game modeling how a town grows into a sprawling metropolis. Players are entrepreneurs, tycoons & politicians seeking "growth" & thus wealth & prestige. Buildings are placed on an existing grid of streets, Building Permits can be converted to cash, and players can execute a limited number of actions each turn: gain new building permits, build, or acquire a favor. Something like SimCity, except the goal is ultimately personal - rather than social - advantage. C.Jensen'11
